Tweak Focus+T OTC Warranty and Service – NORTH AMERICA

The manufacturer’s warranty period is 12 months.

This warranty covers any defect in material or faulty production, specifically excluding batteries, tips, and tubes. Any and all warranties are invalidated if the Tweak® Focus+T OTC hearing aid has been tampered with or altered in any way, if the serial number has been altered or removed, or if any repairs have been made without authorization. The manufacturer reserves the right to repair or replace the instrument or any defective part, at manufacturer’s expense, within the limits of the warranty.

This warranty does not include a promise of specific listening improvement.

Warranty service must only be performed by the manufacturer. Service performed by any unauthorized personnel voids all warranties. If service is needed, contact Tweak Hearing by calling 1-888-815-3240 (Monday - Friday, 8am - 5pm ET).

Repairs and replacements

We will accept any Tweak Focus+T OTC hearing aid or accessory for repair/service for a period of one (1) year after the date of purchase. Charges for servicing or replacement after the warranty period has expired will be your responsibility.
